LADIES' \$1.50 Gowns

89 Cents

We have purchased from one of the largest muslin underwear manufacturers in the country their entire remaining stock of one grade of Ladies' Night Gowns. These gowns were originally made and sold at retail at \$1.50, and you have paid this price many a time for gowns that do not possess the merit of this special lot. They are made of high-grade cambric, neck and sleeve trimmed with superb tulle lace. Some come with lace yokes, others with tucked yokes and ruffled cuffs. There are only about 20 dozen in all. Remember, 89c, instead of \$1.50.

READY-TO-WEAR LINEN and PIQUE SKIRTS.

We gave this stock the very strictest attention this season. We determined that every skirt should have the proper hang and fit and be as up-to-date as the best skirt makers could produce 'em. Prices considered, we warrant the quality of the linen in every one of our skirts. We have them in the plain effects, others trimmed with fancy white braid and some trimmed with five rows of navy blue braid of different widths, at 45c, 59c, \$1.25 and \$1.95. A great line of White Pique Skirts, made of different styles of welts, worth fully \$1.50, at 89c.

Some weeks ago Officer J. Phister Wallace arrested Darius D. Moran.

MORE MONKEY WORK.

The Fiscal Court Met Late Yesterday Afternoon—and Didn't Do a Thing.

It was generally understood that the Fiscal Court would yesterday meet to settle the turnpike business—one way or the other.

However, the members lounged around town until nearly 4 o'clock in the afternoon—at \$4 each per day—when the bell rang and they fled into the Courthouse,—chock full of wisdom and such.

Then it was gravely announced that the lease on the pikes had been continued till June 5th,—and that the "Court" would remain subject to call by the County Judge!

Perhaps the people will after awhile tire of such monkey work and insist that their servants shall attend to the public business.

MRS. ANNA ALBERT HUDGINS.

Her Death Occurred Sunday Night at Her Home at Rome, Ga.

It will be learned here with deepest regret that the death of Mrs. Anna Albert Hudgins, wife of the Rev. Charles Buckner Hudgins, occurred Sunday night about 12 o'clock at her home in Rome, Ga.

Mrs. Hudgins was the daughter of Mrs. Katharine Albert of this city. Fifteen years ago she was married to the Rev. Mr. Hudgins, who was at that time Rector of the Church of the Nativity of Mayville.

Shortly afterward they removed to Rome, Ga., and have since made that place their home.

Mrs. Hudgins was one of the most popular women that ever left Mayville. Blessed with a noble Christian character, her life was one full of kindly deeds for the good of others, and her death will cause sorrow in the hearts of many outside of her own household.

For the last few days her sister, Miss Katharine, had been at her bedside. Her mother is now absent, attending Mrs. Ed. Watson, who is ill at her home at Mammoth, N. Y.

Besides a mother, several sisters and brothers, Mrs. Hudgins is survived by her husband and six children.

The funeral occurred at 10:30 this morning from the Church at Rome of which Mr. Hudgins is Pastor.

THEY ARE COMING

Members of the Grand Encampment, I. O. O. F., Arriving.

OUTLINE OF THE EXERCISES.

The annual session of the Grand Encampment of Kentucky I. O. O. F. will be held at Oddfellows' Hall tomorrow, beginning at 10 a. m.

Grand Patriarch Ambrose Bruner of Louisville will preside and there promises to be a very full representation from the various Encampments throughout the state.

Several important matters will come up for action, one of which is to change the time of meeting, the proposition being to hold the Encampment session at the same time the Grand Lodge session is held, but the Grand Encampment to have the entire day of Tuesday for its deliberations and the Grand Lodge to meet on Wednesday.

The business of tomorrow's session will probably be concluded by 4 o'clock p. m. In the evening Flemingsburg has promised six candidates who will be inducted into the mysteries of the Royal Purple Degree by Plague Encampment.

This will be followed by a banquet, to which only members of the Encampment branch will be admitted.

At the banquet Grand Representative William H. Cox will act as toastmaster, and the following set toasts have been prepared:

"Patriarchal Oddfellowship"—Grand Master J. Whit Potter;

"The Grand Encampment"—Grand Patriarch Ambrose Bruner;

"The Goat"—Chief Patriarch J. Barbour Russell;

"The Royal Purple"—Grand Representative W. W. Morris;

"Our Guests"—Patriarch Thomas R. Phister;

"The Missing Rib"—Grand Scribe R. G. Elliott.

Already several representatives have arrived, among the number Grand Patriarch Ambrose Bruner and Past Grand Master A. J. Reed, who are guests at the New Central, and Grand Scribe R. G. Elliott and Colonel Dick Arnsperger of Lexington, who will during their stay be guests of Past Grand Patriarch Thomas A. Davis.

It is expected that the majority of the representatives will reach the city on this evening's trains.

Memorial Day will be appropriately observed at East Fork, Lewis county, May 30th.

I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I take pleasure in recommending it to others suffering from that dreadful disease.—J. W. LYNCH, Dorr, W. Va. This remedy is sold by J. Jas. Wood & Son, Druggists.

Mr. V. A. Gates of Charleston, W. Va., is the inventor of a new wheel for stern-wheel steamboats. It is a radial wheel, with practically the principle of the screw. The buckets are not put on straight across the wheel, as on all the wheels now in use, but are arranged in such a manner as to get a screw motion, and thus utilize a greater proportion of the boat's power than now. Captain Ellison thinks the wheel has many good qualities, but as the wheels on all his boats are now in good condition, and as it would require an entire set of new flanges, he does not see his way clear at present to adopt the patent wheel. Mr. Gates said that Charles Ward, the inventor and manufacturer of Charleston, W. Va., speaks in the highest terms of the Gates wheel.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J.
